The screenshot shows a VS Code editor with a file explorer on the left, a code editor in the center, and a terminal on the right. The file explorer shows a project named 'exam-project' with files 'index.html' and 'README.md'. The code editor shows the content of 'index.html', which is an HTML document with a title 'Document', a header 'Skillwill exam', and a navigation menu with links to 'Dashboard' and 'Settings'. The terminal on the right shows the following commands and output:

```
[alize@alize exam-project]$ git checkout main
Switched to branch 'main'
Your branch is up to date with 'origin/main'.
[alize@alize exam-project]$ git merge feature-header
